The mental focus fitness program for someone who can't even lift a metaphorical 11b weight. Book/media recommendations welcome too. Because I was laughing so hard. Man, I remember crowding around the TV with my mom and dad and laughing my ass off with them at his "Wrong on Every Level" special.. One of them took time to teach me many basic competitive ideas (like those listed above) and practice with me in a lobby. When I messed up in a game they just told me what I did wrong, It was a great environment and I highly recommend it.. Huh, that seems odd to me, as the bottom rim didn't seem amenable to a plastic part being inserted in there. It was also an odd size for that, such that the average toothbrush would be too long to fit inside (it was only about 6 inches high).
