I want to give her something that is unabashedly SF, but that she will like. Before I start getting a chorus of the old favorite, I am hesitant to go with the usual suggestion of Ender's Game, having found that it often seems very "young adult" to people who haven't encountered it before. The only way any of this waitin for the zerg business works out is if you join the zerg. On of the most common complaints I heard about this game on this subreddit is that the world is not scary since all the mobs are weak. I want this Seahawks team (under Carroll) to go down in history as the team that beat two of the NFL elite QB in back to back Superbowls. As well as beating elite QB Rodgers to get there.. We repaired a flooding basement by having urethane injected into the cracked joint between two segments of the foundation; it's held up quite well in the two years since we've done it. This is different from the paint on sealants: the contractors drilled the crack a bit wider and pumped (a surprising amount of) urethane in to fill the whole gap; it dried to a dark, almost glass like appearance.. As mentioned before, a person that has been lactose intolerant for a long period of time may develop a dairy allergy as well.
